Human Shit
James Kochalka

```
            D
The human race rules planet Earth
D
Everyday a million births
Em                              D
All of us are drowning in our shit
G       D
Human shit

D
Afraid of the atom bomb
D
Paranoid and worrisome
Em                              D
Terrified that soon it will come
G         D
Don t be dumb

        Bm              F#    A
You d be lucky if the atom bomb
Bm                      F#    A
Dropped on you on everyone
        Bm
Then we wouldn t have to
A                       D
Drown ourselves in shit

G A

            D
The human race rules planet Earth
D
Everyday a million births
Em                              D
All of us are drowning in our shit
G       D
Human shit

D
God is a piece of shit
D
We squeezed it out then worshiped it
Em                              D
Nobody can save us from our plight
G         D
That is right

        Bm                F#    A
You d be lucky if the atom bomb
Bm                    F#    A
Dropped on you on everyone
          Bm
Then we wouldn t have to
A                   D
Drown ourselves in shit
