

**Moony Moon**

**James Kochalka**

**C** **Fmaj7**  
Crossin a river, I started to shiver  
**C** **G**  
I watched the moon rise above  
**C** **Fmaj7**  
She manned the oars while I had a smoke  
**C** **G** **C**  
And pondered the meaning of love

**C** **Fmaj7**  
Oh, moony moon, oh, moony moon  
**C** **G**  
Sometimes your silver, sometimes your blue  
**C** **Fmaj7**  
Oh, moony moon, oh, moony moon  
**C** **G** **C**  
Affairs of the heart can all be blamed on you

**C** **Fmaj7**  
Crossin a river, she started to shiver  
**C** **G**  
She was so tender and young  
**C** **Fmaj7**  
I made my move and kissed her real smooth  
**C** **G** **C**  
Moonlight danced on our tongues

**C** **Fmaj7**  
Oh, moony moon, oh, moony moon  
**C** **G**  
Sometimes your yellow, sometimes your orange  
**C** **Fmaj7**  
Oh, moony moon, oh, moony moon  
**C** **G** **C**  
Sometimes you kick my ass right on the floor
