Walk Between the Raindrops
Intro **A   E   B** (4x)

C#m   **B**   **E**   **C#m**   **B**

        E
Don t know what s gotten into you, must be something in your genes
C#m   **B**   **E**   **C#m**   **B**   **E**
About this time I was crazy, too,   N most times in between
C#m   **B**   **E**   **C#m**   **B**   **E**
But I survived to live another day, I might ve learned a trick or two
C#m   **B**   **E**
C#m
 B   **E**
So just remember when your old and your gray, Some of what I taught to you

(chorus 1)
          A   **E**   **B**   **A**
Stay alive inside, don t be a stranger
                    E   **B**   **A**
Keep a line open to the folks back home
                      E   **B**   **A**
Don t run and hide when everything changes
                              E   **B**   **E**
Walk between the raindrops dry as a bone

A E B (2x)

C#m   **B**   **E**   **C#m**   **B**   **E**
You re laying low, staying outta sight, Hanging out in your room
C#m   **B**   **E**   **C#m**   **B**
E
You re up all night by the monitor s light, Sleeping through the afternoon
C#m   **B**   **E**   **C#m**   **B**
E
Well, I won t tell you how you gotta be, You re old enough to make a choice
C#m   **B**   **E**
          C#m B E
It s just that in between all the words on the screen, I doubt you ll ever hear
a human voice

(chorus 2)
          A   **E**   **B**   **A**
Stay alive inside, don t be a stranger
                    E   **B**   **A**
Keep a line open to the outside world
                      E   **B**   **A**

Don t run and hide when everything changes
                                                E   **B**   **E**
Walk between the raindrops smooth as a pearl

A E B (2x)

(bridge)
C#m   **E**
You re at that age And you know it all, And you re not even hearing what I say
C#m   **B**
Knowing better never kept me outta trouble, I don t care I m gonna tell you
anyway

(chorus 1 2x)

A   E   B (4x)
