

Nothing Ever Hurt Like You

James Morrison

Ok, this is the way he plays the song on the album; feel free to use Barre Chords, it s much easier to switch the chords then.

James Morrison - Nothing Ever Hurt Like You

1, 2, 3, 4

Intro:

Cm Dm/C (repeat 8 times, he switches between these chords)

Verse 1:

Cm Dm/C

Loving you is easy,

Cm Dm/C Cm Dm/C

playing by the rules,

Cm Dm/C Cm Dm/C Cm Dm/C

But you said love tastes so much better when its cruel

Cm Dm/C Cm Dm/C

Bridge 1:

F Bb F7 Bb

To you everything was just a game,

F Bb F7 Bb

and oh, yeah you played me good

Cm Dm/C Cm Dm/C Cm Dm/C

But I want you, i want you, i want you so much more than i should,

Cm

Yes i do.

Chorus 1:

Walk a thousand miles on broken glass, it won't stop me

from making my way back to you.

It's not real until you feel the pain.

And nothing ever hurt like you,

Nothing ever hurt like you.

Oh, nothing hurt like you

You got to believe me

Bridge 3:

Oh, everything was just a game,

Yes, you played me good

But I want you, I want you, I want you, I want you, I want you

Chorus 3:

I've got my hands up so take your aim, Yeah I'm ready,

There ain't nothing that we can't go through

Oh, it hurt me like a hurricane when you left me

But I'd do it all again for you.

I'd walk a thousand miles on broken glass, it won't stop me

from making my way back to you.
