

## Precious Love

James Morrison

(intro) C Bm Am F C

C Bm  
I was so lost  
Am  
Didn t know what to do with myself  
F  
I was my own worst enemy  
C  
I was lost and know I needed help  
Bm  
Then you came along  
Am  
And saw the state I was in  
F  
You picked me up where I was down  
C  
Show me how to live again  
F Em  
I said thank you for pulling me through  
Dm C  
I m a lucky man  
F Em  
I didn t know what life was  
Dm G  
But now I, I understand

F Em  
This is precious love, precious love  
Dm C  
No I can t let it go  
F  
It s this precious love  
Em Dm C  
And it s teaching me everything I need to know  
F Em  
This is precious love, it s precious love  
Dm C  
No I can t get enough  
F  
Oh I m down on my knees  
Em  
Begging you please  
Dm C  
Gimme some more of that stuff

F Em Dm C

Oh it s love love love love love, precious love (2x)

**C** **Bm** **Am**  
Oh I got so distracted by people all around

**F**  
Whispering sweet nothings.

**C**  
Feeling my head with doubt

**C**  
So I give up

**Bm** **Am**  
It didn t take long for me to see

**F**  
The one thing that I was missing

**C**  
Was standing in front of me

**F**  
I took you for granted

**Em** **Dm** **C**  
Thought the grass was greener on the other side

**F** **Em**  
I was wrong and it took me so long

**Dm** **G**  
For me to finally realize

(refrão)

**Em**  
I say a prayer

**Am**  
I say it to you

**Em** **Am**  
That my heart will always be true

**F** **E7**  
Love won t be the same without you

**F** **Em**  
So I say thank you, hmm

**Dm** **C**  
I m a lucky man

**F** **Em**  
I didn t know what life was

**Dm** **G**  
But now I, now I understand, Understand, understand

**F** **Em** **Dm** **C**  
This is love love love love, precious love

**F**  
This is precious love

**Em** **Dm** **C**  
And it s teaching me to be a better man

**F** **Em**

This is precious love, precious love

**Dm** **C**

Oh I can't get enough

**F**

Oh I'm down on my knees

**Em**

Begging you please

**Dm** **C**

You must be from heaven above

**F** **Em** **Dm** **C**

This is love love love love love, precious love (4x)
