

Precious Love
James Morrison

(intro) C Bm Am F C

C Bm
I was so lost
Am
Didn t know what to do with myself
F
I was my own worst enemy
C
I was lost and know I needed help
Bm
Then you came along
Am
And saw the state I was in
F
You picked me up where I was down
C
Show me how to live again
F Em
I said thank you for pulling me through
Dm C
I m a lucky man
F Em
I didn t know what life was
Dm G
But now I, I understand

F Em
This is precious love, precious love
Dm C
No I can t let it go
F
It s this precious love
Em Dm C
And it s teaching me everything I need to know
F Em
This is precious love, it s precious love
Dm C
No I can t get enough
F
Oh I m down on my knees
Em
Begging you please
Dm C
Gimme some more of that stuff

F Em Dm C

Oh it s love love love love love, precious love (2x)

C **Bm** **Am**
Oh I got so distracted by people all around

F
Whispering sweet nothings.

C
Feeling my head with doubt

C
So I give up

Bm **Am**
It didn t take long for me to see

F
The one thing that I was missing

C
Was standing in front of me

F
I took you for granted

Em **Dm** **C**
Thought the grass was greener on the other side

F **Em**
I was wrong and it took me so long

Dm **G**
For me to finally realize

(refrão)

Em
I say a prayer

Am
I say it to you

Em **Am**
That my heart will always be true

F **E7**
Love won t be the same without you

F **Em**
So I say thank you, hmm

Dm **C**
I m a lucky man

F **Em**
I didn t know what life was

Dm **G**
But now I, now I understand, Understand, understand

F **Em** **Dm** **C**
This is love love love love, precious love

F
This is precious love

Em **Dm** **C**
And it s teaching me to be a better man

F **Em**

This is precious love, precious love

Dm **C**

Oh I can't get enough

F

Oh I'm down on my knees

Em

Begging you please

Dm **C**

You must be from heaven above

F **Em** **Dm** **C**

This is love love love love love, precious love (4x)
