```

Verso 1:

```
      C              Em              Am              Riff 1
I m trying to change to make the best for us
      C              Em              Am
But I m just the same, same as I ever was
C9              F              Em              Dm
Oh, and if you stay with me, honestly it s what I want
              F              Em              G
But if you stay with me I know I ll hurt you more
```

Refrão:

```
      F              G
So won t you save, save yourself
              Am              F
By leaving me now for someone else
              Dm              G
If I m crying out don t listen to it
              C              F
It s only my heart, save yourself
              C              G
It s only my heart oh no
```

Verso 1:

So tell me I m wrong, please won t you change my mind?
This love s so intense sometimes it can lead you blind
Oh, and if you stay with me, honestly it s what I want
But if you stay with me I know I ll hurt you more
