

Just Got Started Lovin You
James Otto

Key of G

G

You dont have to go now honey

Am

Call and tell em you wont be in today

C

D

Baby there aint nothing at the office

G

So important it cant wait

G

Im thankful for the weekend

Am

But two days in Heaven just aint gonna do

C

This is gonna take forever darlin

D

G

Girl I just got started lovin you

G

Whats the point in fightin what were feelin

Am

We both know well never win

C

Aint this what were missin

D

G

Lets just stop all this resistin and give in

G

Let me wrap my arms around you

Am

You know you dont want to leave this room

C

Come back and let me hold you darlin

D

G

Girl I just got started lovin you

Bm

What can I say Ive never felt this way

C

G

Girl youre like a dream come true

Em

After all the love weve made

Bm

It sure would be a shame

C

If we let this moment end so soon

G

So wont you lay back down beside me

Am

Girl just like I know your wantin to

C

Trust me when I tell you darlin

D
