hello,
this is a song i made myself...
please feel free to have a go and tell me what you think.

the only problem is i dont know how to explain the timing so i think what you should

do is change from Am to G by counting to 4

Am

G

(i.e 1 and 2 and 3 and 4 and 1 and 2 and so on etc.)

does that help?

verse 1

Am

G

run away, to a place where we think we all belong

Am

G

run away, to a world where we are all so strong

Am

G

i cant understand, the things we all go through

Am

G

from other peoples hands, our lives seem just like nothing but its true

Am

G

our lives seem just like nothing

Am

G

our lives seem just like nothing

verse 2

Am

G

keep your life, in a matchbox, and put it in your hand

Am

G

the safest place, in the world from, predators like man

Am

G

i cant understand, the things we all go through

Am

G

from other peoples hands, our lives seem just like nothing but its true

Am **G**
our lives seem just like nothing

Am **G**
our lives seem just like nothing

Bridge.....the count for this changes a bit.

C **D** **Cadd9** **G** x2
1 and 2 and 3 and 4 and 5 and 6 and 7 and 8

then finish with Am and G x2

thanks alot. hopefully its not to difficult to understand
and when you get the hang of it it can be anice song to play.
thank you.
