

How's The World Treating You
James Taylor

How's The World Treating You?

Intro: **D**

D I've had nothing but sorrow, since you said we were
A through, there's no hope for tomorrow, how's the world treating
D you
D every sweet thing that matters has been broken in
G two, all my dreams have been
D shattered
A how's the world treating
D you?
D got no plans for next Sunday, got no plans for
A today, every day is blue Monday, every day you're
D away
D though our pathways have parted to your memory I'm
G true, guess I'll stay broken
D hearted
A how's the world treating
D you?

D
A

D# do you wonder about me like I'm hoping you
A# do, are you lonesome without me, have you found someone
D# new.
D# are you burning and yearning, do you ever get
G# blue. do you think of
D# returning?
A# how's the world treating
D# you?
G# do you think of
D# returning?
A# how's the world treating
D# you?
