Song: Jump Up Behind Me  
Artist: James Taylor  
Tabbed By: acoustixforever

**F** **Bb**  
Verse: This land is a lovely green  
**Dm** **C**  
It reminds me of my own home  
**F** **Bb**  
Such stirring I've seldom seen  
**Dm** **C**  
Even in my own home  
**F** **Bb**  
The sky so bright and clean  
**Dm** **C**  
It is like my home  
**F** **Bb**  
Kind people as have ever been  
**Dm** **C**  
Won't you take me back to my own home

**C** **Bb**  
CHORUS: Jump up behind me my love  
  
Jump up behind me  
**C**  
Old Dan can bear us both  
**Bb**  
Jump up behind me  
**C**  
We follow this road til we reach the sea  
**Bb**  
Jump up behind me  
**C**  
We'll catch the tide and set Dan free  
**Bb**  
Jump up behind me

**F** **Bb**  
Verse: I've been in this world awhile  
**Dm** **C**  
And I've seen a lot of country  
**F** **Bb**  
Many days and many miles  
**Dm** **C**  
All various and sundry  
**F** **Bb**

Freezing cold and wintry

True love

Even as the world was turning
