Song: Jump Up Behind Me
Artist: James Taylor
Tabbed By: acoustixforever

F **Bb**
Verse: This land is a lovely green
Dm **C**
It reminds me of my own home
F **Bb**
Such stirring I've seldom seen
Dm **C**
Even in my own home
F **Bb**
The sky so bright and clean
Dm **C**
It is like my home
F **Bb**
Kind people as have ever been
Dm **C**
Won't you take me back to my own home

C **Bb**
CHORUS: Jump up behind me my love

Jump up behind me
C
Old Dan can bear us both
Bb
Jump up behind me
C
We follow this road til we reach the sea
Bb
Jump up behind me
C
We'll catch the tide and set Dan free
Bb
Jump up behind me

F **Bb**
Verse: I've been in this world awhile
Dm **C**
And I've seen a lot of country
F **Bb**
Many days and many miles
Dm **C**
All various and sundry
F **Bb**
