

Our Town

James Taylor

Intro: D D4 D D5(9) A4/D

D A D
Long ago, but not so very long ago
G A D
The world was different, oh, yes, it was
D A Bm
You settled down and you built a town and made it there
A G A
And you watched it grow, it was your town

(G A)

D A
Time goes by and time brings changes
Bm
You've changed too
G A
Nothing comes that you can't handle
D
So on you go
D A
You never see it coming
Bm D7 G
When the world caves in on you
G A G A
On your town, nothing you can do

Refrão:

D G D
Main Street isn't Main Street anymore
D G A
Lights don't shine as brightly as they shone before
Bm D7 G Gm
Tell the truth, lights don't shine at all
G A
In our town

(D A)

D A D
The sun comes up each morning just like it's always done
G A D
Get up, go to work and start the day
D A
You open up for business

Bm **D7** **G**
That s never gonna come
 G **Bm** **G** **A**
As the world rolls by a million miles away

Refrão:

D **G** **D**
Main Street isn t Main Street anymore
D **G** **A**
No one seems to needs us like they did before
Bm **D7** **G** **Gm**
It s hard to find a reason left to stay
 G **A**
But it s our town
 G **A**
Love it anyway
 G **Bm** **A**
Come what may
 A7 **D**
It s our town
