May I say that I have loved me one or two

There are faces I remember

>From the places in my past

I said all the dead head miles

And the insincere smiles

Sometimes I can laugh and cry and I can't remember why
 Am Em7 F F/G
But I still love those

good times gone by

Hold on to them close or let them go
Am7 Cmaj9 D7
 I don't know

I just seem to sing these songs

And say I'm sorry for the friends I used to know
