

She Thinks I Still Care
James Taylor

B **E** **B**
Just because I ask a friend about her,
B **F#7** **B**
Just because I spoke her name somewhere,
B **B7** **E**
Just because I rang her number by mistake today,
B **F#7** **B**
She thinks I still care

B **E** **B**
Just because I haunt the same old places
B **F#7** **B**
Where the memory of her lingers everywhere,
B **C7sus** **B7** **E**
Just because I m not the happy guy I used to be,
B **F#7** **B**
She thinks I still care

BRIDGE:

B **E** **B**
But if she s happy thinkin I still miss her,
B **F#**
Then let that silly notion bring her cheer
E **B**
How could she ever be so foolish,
B **C#7** **F#7**
Oh where would she get such an idea?

B **E** **B**
Just because I ask a friend about her,
B **F#7** **B**
Just because I spoke her name somewhere,
B **B7** **E**
Just because I saw her then went all to pieces,
B **F#7** **B**
She thinks I still care

B **F#7** **B**
She thinks I still care

B **E** **B**
Just because I haunt the same old places
B **F#7** **B**
Where the memory of her lingers everywhere,

B **C7sus** **B7** **E**
Just because I saw her then went to pieces,
B **F#7** **B**
She thinks I still care
