When you re down and troubled  
And you need a some love and care  
And nothing  
Nothing is going right  
Close your eyes and think of me and soon  
I will be there  
To brighten up even your darkest night

You just call out my name and you know wherever  
I am I ll come running to see you again  
Winter, spring , summer or fall all you  
Have to do is call and I ll be there  
(yes I will ) You ve got a friend  
If the sky above you should turn  
Dark and full of clouds and that old north  
Wind begin to blow
