

Soldier

James TW

My first tab ever, sorry if it s not perfect!

The placement of the chords probably isn t good, but if you listen to the song and play along it will be easy!

I couldn t quite figure out the bridge, but I think it s the same as the verse and chorus.

[Intro]

E F#m C#m A

[Verse 1]

E **F#m** **C#m**
Hold your breath, don t look down, keep trying
A **E** **F#m** **C#m**
Darling, it s okay to be scared, it s frightening
A **E** **F#m** **C#m**
At times it just feels like the world is trying hard to knock us down
A **E** **F#m** **C#m** **A**
But there s a reason that we re still here when no one else is around

[Pre-Chorus]

F#m
How we ve grown
A
Every single day I m proud
F#m
I swear, I won t
A
Let anything stop us now

[Chorus]

E **F#m**
I m not a soldier
C#m **A**
But I ll fight through our darkest of days
E **F#m**
Get on my shoulders
C#m **A**
And I ll carry you all of the way
E **F#m**
Cause there s no life worth living in
C#m **A**
If you re not with me in it

I m not a soldier

But you make me wanna be brave

E F#m C#m A
Yeah, you do

[Verse 2]

E **F#m** **C#m** **A**
Through the depths of despair, we ve stumbled
E **F#m** **C#m**
And all that distance between us, we ve crumbled
A **E** **F#m** **C#m**
We ve ignored all of the rumours and jealous disapprovals
A **E** **F#m** **C#m**
And we ve come out the other side with something beautiful

[Pre-Chorus]

A **F#m**
Oh, how we ve grown
A
Every single day I m proud
F#m
And now I know
A
There s nothing that can stop us now

[Chorus]

E **F#m**
I m not a soldier
C#m **A**
But I ll fight through our darkest of days
E **F#m**
Get on my shoulders
C#m **A**
And I ll carry you all of the way
E **F#m**
Cause there s no life worth living in
C#m **A**
If you re not with me in it
E **F#m**
I m not a soldier
C#m **A**
But you make me wanna be brave
E F#m C#m A
Yeah, you do

[Bridge]

E **F#m**
Only we know where we re going
C#m **A**
