

Torn
James TW

[Intro] **A C#m F#m D**

A **C#m**
I thought, I saw a girl brought to life
D
She was warm, she came around and she was dignified
A
She showed me what it was to cry
C#m
Well, you couldn't be that girl I adored
D
You don't seem to know, Seem to care what your heart is for, But I don't know
her anymore

F#m
There's nothing where she used to lie
E
The conversation has run dry
C#m
That's what's going on
E **A**
Nothing's fine, I'm torn

E
I'm all out of faith
F#m
This is how I feel
D
I'm cold and I am shamed
A
Lying naked on the floor
E
Illusions never changed
F#m
Into something real
D
I'm wide awake and I can see
A
The perfect sky is torn
E **F#m** **D**
You're a little late, I'm already torn

A **C#m**
So I guess the fortune teller's right
Should have seen just what was there
D

And not some holy light, It crawled beneath my veins and now

F#m **E**
I don't care, I had no luck

C#m
I don't miss it all that much

E
There's just so many things

A
That I can touch, I'm torn

E
I'm all out of faith

F#m
This is how I feel

D
I'm cold and I am shamed

A
Lying naked on the floor

E
Illusions never changed

F#m
Into something real

D
I'm wide awake and I can see

A
The perfect sky is torn

E **F#m** **D**
You're a little late, I'm already torn

F#m
There's nothing where she used to lie

E
My inspiration has run dry

C#m
That's what's going on

E **A**
Nothing's right, I'm torn

E
I'm all out of faith

F#m
This is how I feel

D
I'm cold and I am shamed
