

## Higher Love

James Vincent McMorrow

This is my version of the song, originally by Steve Winwood. Hope you enjoy :)  
(I play Capo 4 but its up to you!)

[Verse]

**C** **G** **Em** **D**  
Think about it, there must be higher love  
**C** **G** **Em** **D**  
Down in the heart and hidden in the stars above,  
**C** **G** **Em** **D**  
Without it, life is wasted time,  
**C** **G** **Em** **D**  
Look inside your heart, I ll look inside mine.

[Pre-Chorus]

**D** **Em**  
Things look so bad everywhere  
**D** **C**  
In this whole world, what s fair?  
**D** **C** **G**  
We walk blind and we try to see  
**D** **Em**  
Falling behind in what could be.

[Chorus]

**C** **G** **D** **Em**  
Bring me a higher love  
**C** **G** **D** **Em**  
Bring me a higher love  
**C** **G** **D** **Em**  
Bring me a higher love  
**C** **G** **Em** **D** **D**  
Where s this higher love, I ve been thinking of?

[Verse]

**C** **G** **Em** **D**  
Worlds are turning, and we re just hanging on  
**C** **G** **Em** **D**  
Facing our fear, standing out there alone

Oh a yearning, and it s real for me  
C                  G              Em          D  
There must be someone who s feeling for me

[Pre-Chorus]

D                  Em  
Things look so bad everywhere  
D                  C
