

Lose Control Live Acoustic
James

They opened with this in Manchester, it sounded amazing so I tried to get the chords.

Am-Em-Dm

Am
Where is the love

Em
Where is the love

Dm **Em**
Where is the love that everyone s been dreaming of

Basically three down stokes on each chord- sounded really haunting with just Tim
s
have it on my phone so will try and make a more complete tab, though it sounded
pretty much
this throughout.
