C
I m so alone tonight

  Fadd9   **C**
My bed feels larger than when I was small

Lost in memories

Fadd9   **C**
Lost in all the sheets and old pillows

So alone tonight

Fadd9   **C**
Miss you more than I will let you know

                    Fadd9
Miss the outline of your back

                  C
Miss you breathing down my neck

          Fadd9
All out to get you

```
          C
Once again

                    Fadd9
They re all out to get you

            C
Once again

C                            Fadd9
Insecure what you gonna do

C                                  Fadd9
Feel so small they could step on you

C                        Fadd9
Called you up answer machine

                C
When the human touch is what

Fadd9
I need

What I need

          C
What I need

What I need

          Fadd9
What I need

     C    Fadd9
Is you

          C    Fadd9
I need you

C
Looked in the mirror

                Fadd9
I don t know who I am

        C
Anymore

The face is familiar
```

```
 Fadd9
But the eyes the eyes

           C
Give it all away

                Fadd9
They re all out to get you

  C
Once again

      Fadd9
They re all out to get you

        C
Here they come again

Here they come again

   Fadd9
Here they come again

Here they come again

          C
Here they come again

Here they come again

    Fadd9
Here they come again

Here they come again

C          Fadd9
Insecure whatchya gonna do

C                    Fadd9
Feel so small they could step on you

C         Fadd9
Called you up answer machine

   C
When the human touch

is
```

```
Fadd9
What I need What I need

C
What I need What I need

Fadd9
What I need What I need

C
What I need What I need

Fadd9
What I need What I need

    C
Is you  (what I need)

    Fadd9
Is you  (what I need)

    C                     Fadd9
Is you Is you Is you Is you

        C
If you let me breathe

If you let me breathe

              Fadd9
If you let me breathe

If you let me breathe

C                   Fadd9
They re all out to get you

        C
Once again

                Fadd9
They re all out to get you

Get you

C
Once again
```
