

**Ring The Bells**  
**James**

Ring the bells ....James  
A great little song to strum  
It s a simple recurring riff of C, G, and F ..ie

~Verse~

**C**                      **G**  
Ring, ring the bells  
                 **F**  
Wake the town  
         **C**              **G**  
Everyone is sleeping  
**C**                      **G**  
Shout at the crowd  
                 **F**  
Wake them up  
                 **C**                      **G**  
This angers deeper than sleep

~chorus~

**C**  
Got to keep awake to what s happening  
**G**  
I can t see a thing through my ambition  
**F**    **C**      **G**  
I no longer feel my god is watching over me  
**C**  
Got to tell the world we ve all been dreaming  
**G**  
this is not the end a new beginning  
**F**    **C**      **G**  
I no longer feel my god is watching over me

Repeat for thr rest of song.
