GREAT POP SONG BY ONE OF MANCHESTER S FINEST!

(Intro) **A**

A **A**
Blow me away, was that love you declared?

A **A**
Only a word, love can mean anything

E **F#m** **D**
Understand the world we re living in....

A **A**
Oceans apart, what s that view from your wave?

A **A**
Beautiful craft, weather can change

E **F#m**
Understand the world we re living in

D **A**
Love can mean anything

A **A**
God made love to me, soothed away my gravity

F#m
Gave me a pair of angels wings

F#m
Clear vision and some magic things

A **A**
God is love to me, thank you for these things

E **F#m**
Understand the world we re living in

D **A**
Love can mean anything

A

Darling, i m open

A

Unguarded, unbroken

A

A

Now we don t have time, let it drift away,

A

A

Like a heavy cloud, with the weight of rain

E

F#m

Understand the world we re living in

D

A

Love can mean anything

E

F#m

Understand the world we re living in

D

A

Love can mean anything

E

F#m

Understand the world we re living in

D

A

Love can change anything.
