Someone s got it in for me
C
I dont want your sympathy
D
Life just never turned out
     C
How I wanted it to

Em
Should have been a shooting star
C
Could have made it past the bar
D
Would have been a winner
    C
If I ever got that far

      Em
What a state I m in
      C
My self-pitying
      D
Here s another victim
       C
Singing suffering

   Em
If only I had made the grade
C
Been more loved been less afraid
   D
If only I had scored the goal
C
Got the girl or even played

      Em
What a state I m in
      C
My self-pitying
      D
Here s another victim
      C

Singing suffering

CHORUS:
Em   **C**   **D**   **C**
Oh let it fall away, these lies. To be born again (x2)
