Not hard really to be honest!

## C G Am F

all the way through!!!

Bit tricky!

I see you falling
How long to go, before you hit the ground
You keep on screaming
Don t you see me here, am I a ghost to you

Now your grips too strong
You can t catch love with a net or gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change
Tommorow
Tommorow

Why are you phoning?
What am I to do, when you re miles away?
You re always calling,
when the darkness looms and we re both scared
Now your grips too strong
You can t catch love with a net or gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change

Now your grips too strong
You can t catch love with a net or gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change
Tommorow
I m just out of your range
Tommorow
All your sufferings in vain
Tommorow

Now your grips too strong
You can t catch love with a net or gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change
Tommorow
I fly out of your range
Tommorow
All your sufferings seems vain, change

Tommorow
Some forgiveness now
Tommorow
Love no sacred cow
