

Upside

James

This is a great song from the new album of James [Hey Ma]. It's my favourite song from album. I think it's pretty close to the original. Any corrections are appreciated. I'm from Portugal and James it's the best band ever!

Capo on 5th fret

Intro: **G Bm** (2x)

G **Bm**
Send seasonal greetings from nowhere
G **Bm**
I'm working and playing away
G **Bm**
Remember the moment of leaving
Cadd9 D
Yesterday, yesterday

[same pattern as above]
Roll through these towns
Over seas, over mountains
Lucky to work
When work is scarce
Father must feed
Must provide
He must fountain
Left my heart within your care

G
Upside: love you
Bm
Downside: miss you
G **Bm**
I'm here you are there.

G
Upside: working
Bm
Downside: hurting
Cadd9
Hear my echo
D
Dancing bear

Connected to you by a mobile
What I can't do, I can say
Away from you I'm feeling empty

I am raining, I am grey

Upside: love you

Downside: miss you

Iâ€™m here you are there.

Upside: working

Downside: hurting

Hear my echo

Dancing bear

My works about words

And sounds you can taste

Violins and trumpets

Chocolate cakes

Here are some words

Words you can taste

Here are some words

Kissing your face

Upside: love you

Downside: miss you

Iâ€™m here you are there.

Upside: working

Downside: hurting

Hear my echo

Dancing bear

If you have more james tabs (specially from the last album) that you can share with me,

e-mail it to me: azevedo_fernando@hotmail.com
