Sunset by Jamestown Story

First off, I just wanted to know how to play this song, so i looked up juliebays version and i liked most of it, but it didn't quite go with the song so I've copied and redone it. A few of the chords and chord names have changed to make more sense. And so in turn, i should also accredit revhil09 for the Solo, it sounds pretty madd, just remember not to use the Capo while playing the Solo.

Standard Tuning: EADGBe

Capo: 3rd fret

The Chords are:

G	Em7	G/F#	C
-3 -	-3 -	-3 -	-3 -
-3 -	-3 -	-3 -	-3 -
-0 -	-0 -	-2 -	-0 -
-0 -	-2 -	-0 -	-2 -
-2 -	-2 -	-0 -	-3 -
-3 -	-0 -	-2 -	-x -

Start off playing G(up, down, up, mute) and then it flows into the verse.
