

Hanging out in the bars with the drunks and the stars
And a few good ole boys just like me
Started burning our candles both ends and the middle a bunch of roaring outlaws
at high speed
And they said that the end of that road i was on
Somewhere between jennings and jones

D **G** **D**
Now to find me in a record store won t take you long

D **A7** **D**
I m right there between jennings and jones
