comes rolling in

When that rooster starts crowing it just

reminds me that I need to feed him

cause every day I grow deeper in debt

[Chorus]

C/G
And You cant cash my checks

you can push me into the water
D
but you cant hold me under
C/G
you can bring me down
Em **C**
but you cant make me beg
G **D**
you can take my word
G
but you cant cash my checks
