

**Lead Me Home**  
**Jamey Johnson**

[Verses]

**D**  
I have seen my last tomorrow,  
          **A**                          **D**  
I am holding my last breath,  
  
Goodbye, sweet world of sorrow,  
                          **A**                          **D**  
My new life, begins with death.

**D**      **G**                          **D**  
I am standing on the mountain,  
          **G**                          **D**  
I can hear the angels songs,  
          **G**                          **D**  
I am reaching over Jordon,  
                          **A**                          **D**  
Take my hand, Lord lead me home.

**D**  
All my burdens, are behind me,  
                          **A**                          **D**  
I have prayed, my final pray,  
  
Don t you cry, over my body,  
                          **A**                          **D**  
Cause that ain t me, lying there.

**G**                          **D**  
No, I am standing on the mountain,  
          **G**                          **D**  
I can hear the angels songs,  
          **G**                          **D**  
I am reaching over Jordon,  
                          **A**                          **D**  
Take my hand, Lord lead me home.

**D**      **G**                          **D**  
I am standing (Lord, I am standing) on the mountain ( on the mountain ),  
          **G**                          **D**  
I can hear ( I can hear the angels songs ) the angels songs,  
          **G**                          **D**  
I am reaching over Jordon, ( over Jordon )  
                          **A**                          **D**  
Take my hand, Lord lead me home.  
                          **A**                          **D**  
Take my hand, Lord lead me home.
