

Living For A Song

Jamey Johnson

- Verse 1

E **B** **C#m** **B**
I have slept on satin sheets, dined with kings on wine so sweet,
A **E** **A** **B**
Made my bed out in the street, living for a song.
E **B** **C#m** **B**
I spent a lifetime on the road, like desperadoes chasing gold,
A **E** **A** **G#7**
I ve been bought and i ve been sold, living for a song.

- Chorus

C#m **B** **B7** **E** **A**
Life s so full of melodies, with words that rhyme and harmonies,
Am **E** **A** **B** **E**
Until I write mine, I ll always be, living for a song.

- Verse 2 (Spoken)

E **B** **C#m** **B**
I came to town a long time ago, and it s really been good to me as you all know,
A **E**
But all of us rhyme runners and word hunters have some things that we ve been
through,
A **B**
So I wrote this song, hoping I could tell some of them to you.

- Verse 3 (Sung)

E **B** **C#m** **B**
I have slept on life s highway, muddy tears painting my face,
A **E** **A** **B**
A rhyme or two was a big payday, living for a song.
E **B** **C#m** **B**
Using words for my lifeline, forsaking all just for a rhyme,
A **E** **A** **G#7**
Building steps I know I can t climb, living for a song.

- Chorus

C#m **B** **B7** **E** **A**
Life s so full of melodies, with words that rhyme and harmonies,

Am **E** **A** **B** **E**
Until I write mine, I ll always be, living for a song.

A **E** **A** **B**
Til I write mine, I ll always be, living for a song.
