Mary and I were the perfect picture of love

But my world started spinnin around
C
Till it wasnâ€™t enough
C F
I tried to hang on to the heaven she made just for me
G
But when I slipped and fell it drove her to hell
C
And lord knows that I hate to see

F C
Mary go round, Mary go round
G F C
Mary I wish youâ€™d stop taking your heartache to town
F Am
Why canâ€™t you see, that free love ainâ€™t free
F G
Youâ€™ll spin til you fall to the ground
F G
Mary I wish that youâ€™d never found
C
The mary go round

Shes not the first to discover the devils playground
But this ainâ€™t no game and these demons ainâ€™t playing around
Theyâ€™ll make her believe they
Can drain all her pain with a drink
And if she sinks below this burn in my soul
To watch them all laugh as they sing

Mary go round, Mary go round
Mary I wish youâ€™d stop taking your heartache to town
Why canâ€™t you see, that free love ainâ€™t free
Youâ€™ll spin til you fall to the ground
Mary I wish that youâ€™d never found
The mary go round

Youâ€™ll spin till you fall to the ground
Mary I curse the day that you found

The mary go round
