Stars In Alabama

Jamey Johnson

Capo 3

G **Cadd9** **G**
I said, "Mama don't you worry, I'm getting by just fine out on the road."
Am **Cadd9** **D**
Yeah, tonight we played in Knoxville and tomorrow night its back to Music
G
Row.

G **Cadd9** **G**
No, I don't know when I'm coming home, Montgomery seems so very far away.
Am **D**
She said, "Boy, it wouldn't kill you none to look out past the bright
G
lights on that stage.

(Chorus)

Cadd9 D **G**
"Cause God put stars in Alabama. You just can't find in Tennessee.
Am **D**
The same ones are waiting on you. That taught you how to dream.
Cadd9 D **G**
I know there's big names up in Nashville. And you'll be one before too long.
Am D **G**
But God put stars in Alabama. To help you find your way back home."

2nd Verse

G **Cadd9** **G**
I hung up the phone and I could feel the emptiness at 80 miles an hour.
Am **D**
And I listened close and I could hear my heart beating louder than the
G
tires.

G **Cadd9**
This old bus was headed west but my mind was drifting somewhere towards the
G
south.

Am **Cadd9** **D**

And I closed my eyes and I could see the bright lights shining clearly
G
through the clouds.

(Chorus)

Cadd9 D G
â€™Cause God put stars in Alabama. You just canâ€™t find in Tennessee.

Am D
The same ones are waiting on you. That taught you how to dream.

Cadd9 D G
I know thereâ€™s big names up in Nashville. And youâ€™ll be one before too long.

Am G
But God put stars in Alabama. To help you find your way back home.â€•

Am
Yeah, thereâ€™s stars in Alabama. (Pause) That just canâ€™t wait â€™til you get
G
home.

This is only my second time submitting and it s late tonight so if I messed up I

I just got frustrated that nobody had put anything together for more of Jamey s
songs. Anyways
is my contribution.

This is a great song.

Enjoy,
