

**Not While Im Around**  
**Jamie Cullum**

This is the piano version posted on Youtube which was simplified. I am posting it because nobody has taken the initiative yet. However, I would welcome those around these parts to add or improve it greatly. Thank you.

**D2**                    **A/C#**       **Bm7**                    **A/C#**  
Nothing s gonna harm you, not while I m around.

**D2**                    **A/C#**       **Bm7**                    **A/C#**  
No one s gonna hurt you, not while I m around.

**G2**                **D/F#**        **Em7**    **D/F#**    **G2**    **D/F#**  
Demons are prowling everywhere, nowadays,  
                         **Em7**

I ll send em howling,  
                         **Bbm7 - CM7 - EbM7 - G11 - A11**  
I got ways.

**D2**                    **A/C#**  
No one s gonna hurt you,  
**Bm7**                    **A/C#**  
No one s gonna dare.

**D2**    **A/C#**  
Others can desert you,  
**G2**  
Not to worry,  
**A4**  
whistle, I ll be there.

(2x s)  
**G2**                **D/F#**        **Em7**    **D/F#**    **G2**    **D/F#**  
Demons ll charm you with a smile, for a while,  
**D D/F# F/Bb**  
But in time...  
**C#dim**                **F#dim**  
Nothing can harm you  
**Adim**                **Gm6**  
Not while I m around

(Play Last Part Twice, and End on D(ish), the ending you can use a little flare on D2 and D4. I personally like Adim7 in place of Adim. And Gm6 stepping down to D2 or D4, or D if you like it.

Thanks.
