We run things another way, we run things another way,
draw a face on a dartboard / wear it out like a record
Tired eyes an razor blades / tearing through a radio wave,
Don t stop cos it s getting tense now

Cos Iâ€™m trying to hold on to something, yeah

Gm7 **Fmaj7**
If you let me Iâ€™ll show you Iâ€™ll do it. Can you hear it?

Dm7
We run things another way,
we run things another way,
we run things another way.

VERSE 2

We run things another way, we run things another way,
Get on top cos I m falling, never stop we your calling
I shiver now I feel the raise, batter time and wasted days,
Don t stop if you wanna tense now.
