

What A Difference A Day Makes
Jamie Cullum

[Intro]

F Dm Gm C (x3)

F Dm Gm

What a difference a day made, twenty four little hours
Brought the sun and the flowers where there use to be rain

My yesterday was blue dear Today (still) I m a part of you dear
My lonely nights are through dear since you said you were mine

Oh, what a difference a day made there s a rainbow before me skies
above can t be stormy since that moment of bliss that thrilling kiss

it s heaven when you find romance on your menu
what a difference a day made and the difference is (you) (x2)
