[INTRO:] **G D/F# Em C**

[Verse 1:]

**G**  
Had a dream I was standing on the shore  
**D/F#**  
Two feet planted in the sand  
**Em C**  
Soakin up Your Glory, yea  
**G**  
I saw You walkin from a distance  
**D/F#**  
Without a hint of resistance  
**Em C**  
Had Your arms open and a warmth in Your eyes  
**Am7 D/F#**  
You took my hand and You whispered

[Chorus:]

**G D/F#**  
Come to me when you re weary and  
**Em**  
I ll give you hope when you re hurting  
**C**  
I ll give you rest from your burden (x2)  
**G D/F# Em C**  
Now! (Oh oh yea, Right now)

[Verse 2:]

**G \***  
I woke up to the weight of the world

**D/F#** **Em**  
Right back into reality and

**C**  
all that s going wrong

**G**  
Cause in the midst of this chaotic life I

**D/F#**  
try to find peace of mind

**Em** **C**  
but You ve been there all along

**Am7** **D/F#**  
and even now I hear You whisper

[Chorus:]

**G** **D/F#**  
Come to me when you re weary and

**Em**  
I ll give you hope when you re hurting

**C**  
I ll give you rest from your burden

**G** **D/F#**  
Come to me when you re weary and

**Em**  
I ll give you hope when you re hurting

**C** **D/F#**  
I ll give you rest from your burden!

[Bridge:]

**D/F#** **Em** **C**  
I feel the weight, I feel the weight is slowing liftin and You close the distance

**D/F#**  
and I know it s gonna be okay when I hear You say!

[Chorus:]

**G \*** **D/F# \***  
Come to me when you re weary and

**Em \***  
I ll give you hope when you re hurting

**C** (pick it up)  
(Ooo) I m gonna carry your burden!

**G** **D/F#**  
Come to me when you re weary and

**Em**  
I ll give you hope when you re hurting

**C** **G** **D/F#**  
I ll give you rest from your burden now! Oh, Oh, Yea
