

God Girl

Jamie Grace

I used these chords on my ukulele, but they work on guitar too.

C **G** **Am**
If my eyes light up when I say your name and it s written all over my face
F
Tell me does it make me crazy
G **C** **G**
Well maybe I got something that I cant explain
Am
And the beauty of it never changes
F **G**
It s got me wrapped up I m all caught up I can t help but say

~CHORUS~

C
I m a God girl that s who I ll be
G
From the top of head to the soles of my feet
Am
No I can t deny it wouldn t even try it
F **G**
I m your girl in a crazy world
C
I m a God girl that s who I ll be
G
From the top of head to the soles of my feet
Am
No I can t deny it wouldn t even try it
F **G**
I m your girl for the whole wide world to see

C G Am F
