Green Light
Jamie Lidell

Вb

It s only a trick

Dm

If you make it a trick

Gm Ab Eb

And you re wonderin how to get yourself outta this one

Dm

Outta this one

Eb

Outta this one

Cm - F Bb

It s only a good thing

Dm

If you make it a good thing

lm Ab

Once again you re just foolin yourself

Eb

Outta this one

Dm

Outta this one

Eb

Outta this one

Cm - F

All you haveta do is

Gm Ab Eb Cm - F

Just give yourself the green light

Gm Ab Eb Cm - F

Just give yourself the green light Woah

Вb

It s only a kiss

Dm

If you make it a kiss

Gm Ab

So why you wanna fake your way

Eb

Outta this one

Cm- F Bb

Well, it s only a sin

Dm

If you make it a sin

Gm Ab

We all guilty so why not give in

```
To this one
Dm
To this one
Eb
To this one
Cm - F
All you have to do is
                                  Eb
                                      Cm - F
Just give yourself the green light
                 Ab
                                      Cm - F
Just give yourself the green light
Вb
Give yourself the green light
F#
Whoa
Gm
Give yourself the green light
F#
Oh
Gm
Just give yourself the green light
F#
Whoa
Gm
Give yourself the green light
F#
Oh
(rhythm faster)
Вb
Well, you re spinning your wheels
But you re goin nowhere
Gm
Keep on turnin
Ab
But there s no turnin back
(Return on the basic rhythm)
Eb
Outta this one
Dm
Outta this one
Eb
Outta this one
(rhythm faster)
Cm
                F
                                     Вb
```

Eb

```
And you don t have to put on the brakes
F#
When you re already there
           Ab
                                         Eb (Return on the basic rhythm)
Cause there s this time to take yourself outta this one
Dm
Outta this one
Outta this one
Yeah and all you have to do is
                 Ab
                                 Eb Cm - F
Just give yourself the green light
                 Ab
                                 Eb Cm - F
Just give yourself the green light
Вb
Give yourself the green light
F#
Whoa
Gm
Give yourself the green light
F#
Oh
Gm
Just give yourself the green light
F#
Whoa
Gm
Give yourself the green light
F#
Oh
```
