[Intro]

C G C G

Well

C G

I m sure it never used to be

So hard this hard

C G

Used to get those kicks for free

D7

But now I m towing the line

C G

Oh this ain t no way to be

C G

Stuck between my shadow and me

A7

I could put it where the sun don t shine

D7

Although I ll tell you that I m doing fine

C G

I m so tired of repeating myself

C

Beating myself up

G

Wanna take a trip and multiply

C G D7

Least go under with a smile

C G C

I m sure I never used to be in trouble

G

So much trouble

C G

Where love is just a shackle I see

D7

Going out of my mind

C **G**

Oh this ain t no way to be

C **G**

Stuck between my shadow and me

A7

The sun s going down

It s getting dark in here

D7

Still folks say I got nothin to fear

C **G**

I m so tired of repeating myself

C

Beating myself up

G

Wanna take a trip and multiply

C **G** **D7**

Least go under with a smile

Em **G**

People on the street there are many many

Em **G**

People on the moon there ain t any any

A7

Falling down the same old hole

D7

Taking a dive cause I got no control

C

I so tired

G

So tired

C

So tired

so tired ... (x2)

C **G**

I m so tired of repeating myself

C

Beating myself up

Wanna take a trip and multiply
