E|------------------------------------------------------------------------------|
```

[Verse 1]
```
   F            G            C
```
It didn t take long for you to come back
```
     F    G              C
```
This time I thought you never would
```
        F       G                 C  G  Am
```
And it won t be long before you go-oh-oh
```
          F                    G       C
```
And we re right back where we started

[Pre-Chorus]
```
     F                     G
```
But I would never run I would never run baby
```
Am                  C
```
You can take it all, you can take it all from me
```
   F                G                         Am
```
I give you my love, give you my love until it s gone

(Second guitar)
```
e|---7------------|
B|-------10-------|
G|-----------7---|
D|---------------|
A|---------------|
E|---------------|
```

```
   F                      G
```
And I would never break, I would nerver break your heart
```
Am                  C
```
Baby your my world but the bottle is guarded
```
F  G            C
```
  I can t let it go

[Chorus]

```
                   Am C   F
And I will sober up
         Am C   F
I will sober up
         Am C   F
I will sober up
Am                    C                      F
Believin  in love believin  in love ain t enough
Am                    C                  F
Believin  in love believin  in love ain t enough

[Verse 2]
     F           G            C
It didn t take long for me to go back
        F      G           C
This time I thought I never would
          F        G             C G  Am
And it won t be long before you go-oh-oh
             F                 G       C
And we re right back where we started

[Chorus]
            Am C   F
And I will sober up
         Am C   F
I will sober up
         Am C   F
I will sober up
Am                    C                      F
Believin  in love believin  in love ain t enough
Am                    C                      F
Believin  in love believin  in love ain t enough
Am                    C                      F
Believin  in love believin  in love ain t enough

[Bridge]
     Am                        C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back
      Am                       C              F
And baby you can run you can run you can run back

[Outro]
Am                    C                      F
```

```
Believin  in love believin  in love ain t enough
Am                  C                 F
Believin  in love believin  in love ain t enough
Am                  C                 F
Believin  in love believin  in love ain t enough
Am
Believin  in love believin  in love ain t enough
