JAMIE MCDELL - ANGEL

SIX STRINGS AND A SAILBOAT 2012

This is my first tab! I figured out this song by ear, I believe it's right. It's a great song to play on guitar!

CAPO 1 FRET

INTRO:

F **Am** x2

F **Am**
Never-ending, always in my heart
F **Am**
Unworthy feeling whenever we're apart
F **Am**
No way of knowing that things might change
F **Am**
My happy ending looks so far away

F **Am**
I'm so empty, too heavy
F **Am**
Almost ready to break

[Chorus]

F
And I can't wait much longer
G **Am**
I need more than just an angel
F
And I can't act much stronger
G **Am**
I need more than just an angel

F **Am** x2

F **Am**
I keep my head up, looking for a sign
F **Am**
Something to tell me that I'll be fine

F **Am**
Why do I have to do this on my own
F **Am**
I am surrounded but I feel so alone

F **Am**
I m so empty, too heavy
F **Am**
Almost ready to break

[Chorus]

F
And I can t wait much longer
G **Am**
I need more than just an angel
F
And I can t act much stronger
G **Am**
I need more than just an angel

F **Am**
And everything is so wrong
F
I tell myself to be strong
Am
Just to keep me holding on
F **Am**
What does it mean to feel love
F
To show you what I m made of
Am
And I m afraid I ve had enough

[Chorus]

F
And I can t wait much longer
G **Am**
I need more than just an angel
F
And I can t act much stronger
G **Am**
I need more than just an angel

[Chorus]

F
And I can t wait much longer
G **Am**
I need more than just an angel

F

And I can't act much stronger

G
