

**Life In Sunshine**  
**Jamie McDell**

This is for personal use so it doesn't really go with how she sings it.

VERSE 1

**G**                    **Am**   **F**  
I know we'll be alright  
**C**                    **G**     **F**  
I'm sure this time  
**Am**                 **F**            **C**  
Today is warm outside  
**Am**   **G**             **F**  
Today we're fine

CHORUS

**C**                    **G**  
So hot and my feet on fire  
**F**                                    **Am**  
I'm so gone, turn the beat up higher  
                                 **Am**                    **G**                    **Dm**  
And we know we're living life in sunshine  
**C**                    **G**  
No time for stress, we're all so lazy  
**F**                                    **G**  
And tonight we're gonna go crazy  
**Am**                    **G**                    **C**  
And we know we're living life in sunshine

VERSE 2

**G**                                    **Am**   **F**  
This ain't know tv show  
**C**                                    **G**     **F**  
This is life right now  
**Am**                    **F**            **C**  
So turn up the radio  
**Am**                    **G**            **F**  
Sing this song out loud  
**Am**                                    **G**            **F**  
there's nowhere you need to be  
**Am**                                    **G**            **F**  
Then right here beside the sea  
**Am**                    **F**            **C**  
Today I lost my mind  
                                 **G**     **F**  
And I feel alive

CHORUS

BRIDGE

**Am**                    **G**        **F**  
This is the golden ages

**Am**                    **G**        **F**  
Driving in my car

**C**                    **Am**        **G**  
So listen closely baby

**Am**                    **G**            **F**  
I m loving where we are

CHORUS
