This is my first tab I ever submit, so please comment if you want to correct something!

This song is pretty much based on two chords, but some parts during the verses seem to be pure improvisation which you can figure out by yourself if you want to. Otherwise this one ain't too hard, simple but yet so good.

Capo 2th fret

The song starts off with a picking part:

```
E:-----:
B:-----:
G:-----:
D:-----0h2-----:
A:--0h2-----:
E:-0-----:
```

Verse 1

Em

Part 2 (it's gonna be a long time)

From there it's pretty much these chords on and on until the end of the song

Em A
