No Capo
Go to my yt channel SharkMusicTunes if u need more help with strumming
Enjoy =).

```
G#                       Bb
I got a DM from a slightly older chick
          Cm                    G#
Saying do you ever come to Chicago
G#                       Bb
Said she didnt know me but she seen my videos
Cm                        G#
And she was verified a model
Eb                          Bb
We started talking all night I know that this was legit
Cm                              G#
Cause when I gave her my cell she started sending me pics
G#                            Bb
Told me she dreamed about the beaches out in Malibu
Eb                                  Cm
What would it be like just to look up at the stars with you
```

```
G#             Bb
Well we can do anything you like
Eb          Cm                      G#
And we can go anywhere you want to girl
Bb                        Eb                    Cm
I know you need a vacation I got a place for you to crash
G#         Bb   Gm        Cm
In California its not so far away
G#         Bb   Gm            Cm
I gotta warn ya if you come well you just might stay
G#             Bb      Gm          Cm
Cause we chill all day and the party goes all night
Eb       G#       Bb        Cm
In the summer time you know it never rains
```

```
G#           Bb
Last summer I was chillin with my cousins
Gm                        G#      Cm
I was staying with my aunt in Baltimore and
```

```
G#                    Bb
When I saw you I couldn t keep my eyes off ya
Gm                              Bb
I could not control myself I had to holla
G#                   Bb
I knew right away you were my type
Eb
Said I was leaving you said didnt mind
G#          Bb
Dont care about the distance cause we ll be fine
Eb
I just cant wait to call you mine

G#                  Bb
Well we can do anything you like
Gm        Bb                          G#
And we can go anywhere you want to girl
Bb           Cm              Bb              Eb
I know you need a vacation I got a place for you to crash
G#        Bb   Gm          Cm
In California its not so far away
G#        Bb      Gm                    Cm
I gotta warn ya if you come well you just might stay
G#              Bb        Gm                  Cm
Cause we chill all day and the party goes all night
G#        Bb      Cm      Bb          Eb
In the summer time you know it never rains
G#        Bb   Eb        Cm   G#        Bb
In California in California in California
Eb                Cm
You know it never rains

                   G#                           Bb
Yeah Im on that west coast and my top down palm trees been riding around
Bb                          Eb
My girl she from the east coast but I think Im bout to fly her down
G#        Bb
Ugh cause I been missing that beautiful smile
Bb                                          Eb
Its been a while girl you know that its Kalin & Myles
G#              Bb          Eb
I can take you anywhere where you wanna go
Cm                      G#
We can hit the beach girl just lemme know
Bb          Eb                      Cm
You beautiful so come and get some if you wit it
G#              Bb          Cm
That west coast California where we livin
```

Lets go

G#   **Bb**   **Gm**   **Cm**
In California its not so far away
G#   **Bb**   **Gm**   **Cm**
I gotta warn ya if you come well you just might stay
G#   **Bb**   **Gm**   **Cm**
Cause we chill all day and the party goes all night
Eb   **G#**   **Bb**   **Cm**
In the summer time you know it never rains
G#   **Bb**   **Eb**   **Cm**   **G#**   **Bb**
In California in California in California
Eb   **Cm**
You know it never rains

Check out my YouTube if u want to see how its done nd please subscribe for more
please
and thank you if u found it helpful was my first time doing this i usually just
play
music don t really do all this tabbing and stuff
