No Capo

Go to my yt channel SharkMusicTunes if u need more help with strumming  
Enjoy =).

**F** **G**  
I got a DM from a slightly older chick  
**Am** **F**  
Saying do you ever come to Chicago  
**F** **G**  
Said she didnt know me but she seen my videos  
**Am** **F**  
And she was verified a model  
**C** **G**  
We started talking all night I know that this was legit  
**Am** **F**  
Cause when I gave her my cell she started sending me pics  
**F** **G**  
Told me she dreamed about the beaches out in Malibu  
**C** **Am**  
What would it be like just to look up at the stars with you

**F** **G**  
Well we can do anything you like  
**C** **Am** **F**  
And we can go anywhere you want to girl  
**G** **C** **Am**  
I know you need a vacation I got a place for you to crash  
**F** **G** **Em** **Am**  
In California its not so far away  
**F** **G** **Em** **Am**  
I gotta warn ya if you come well you just might stay  
**F** **G** **Em** **Am**  
Cause we chill all day and the party goes all night  
**C** **F** **G** **Am**  
In the summer time you know it never rains

**F** **G**  
Last summer I was chillin with my cousins  
**Em** **F** **Am**  
I was staying with my aunt in Baltimore and

**F** **G**  
When I saw you I couldn't keep my eyes off ya  
**Em** **G**  
I could not control myself I had to holla  
**F** **G**  
I knew right away you were my type  
**C**  
Said I was leaving you said didn't mind  
**F** **G**  
Don't care about the distance cause we'll be fine  
**C**  
I just can't wait to call you mine

**F** **G**  
Well we can do anything you like  
**Em** **G** **F**  
And we can go anywhere you want to girl  
**G** **Am** **G** **C**  
I know you need a vacation I got a place for you to crash  
**F** **G** **Em** **Am**  
In California it's not so far away  
**F** **G** **Em** **Am**  
I gotta warn ya if you come well you just might stay  
**F** **G** **Em** **Am**  
Cause we chill all day and the party goes all night  
**F** **G** **Am** **G** **C**  
In the summer time you know it never rains  
**F** **G** **C** **Am** **F** **G**  
In California in California in California  
**C** **Am**  
You know it never rains

**F** **G**  
Yeah I'm on that west coast and my top down palm trees been riding around  
**G** **C**  
My girl she from the east coast but I think I'm bout to fly her down  
**F** **G**  
Ugh cause I been missing that beautiful smile  
**G** **C**  
It's been a while girl you know that it's Kalin & Myles  
**F** **G** **C**  
I can take you anywhere where you wanna go  
**Am** **F**  
We can hit the beach girl just lemme know  
**G** **C** **Am**  
You beautiful so come and get some if you wit it  
**F** **G** **Am**  
That west coast California where we livin

Lets go

**F**            **G**    **Em**            **Am**  
In California its not so far away  
**F**            **G**            **Em**                    **Am**  
I gotta warn ya if you come well you just might stay  
**F**                    **G**            **Em**                    **Am**  
Cause we chill all day and the party goes all night  
**C**            **F**            **G**                    **Am**  
In the summer time you know it never rains  
**F**            **G**    **C**            **Am**    **F**            **G**  
In California in California in California  
**C**                    **Am**  
You know it never rains

Check out my YouTube if u want to see how its done nd please subscribe for more  
please  
and thank you if u found it helpful was my first time doing this i usually just  
play  
music don t really do all this tabbing and stuff
