[Intro] **F#m   E   G#m   D#m   F#m   E   G#m   D#m**

Dm
In my love
                    Bm
Every heart is beating
            Dm
I m all love
                        Bm
Can t you feel me feeling?
            Dm
Take my hand
                Bm
Cold like a junkie
                        Dm
I m an ice cold man
(I m an ice cold man)
            E
Why am I crying for you?

F#m   **E**
All this love I felt for you
G#m   **D#m**
Has gone away to another place
(It s a digital life)
F#m   **E**
I put my faith in a digital world
Where they ve given me
G#m   **B**
Eyes without a face
F#m   **E**
I stare at the the moon on silver nights
G#m   **D#m**
Remind myself I am someone
F#m   **E**
My soul is null and void tonight
F#m
I m automaton

Dm
I m so tough
                    Bm
Can t you see me running?
            Dm
See, I can touch
                    Bm

Can you feel me coming?
```
         Dm
```
I see the world
```
             Bm
```
In claws of freedom
```
                     Dm
```
These metal eyes, they can t disguise
```
Dm
```
The fact that I
```
Dm
```
Need something to believe in
```
                 Bm
```
But they re not crying for you

```
F#m                  E
```
I said goodbye to the world I knew
```
G#m                 D#m
```
And took off into inner space
(It s a digital life)
```
F#m                   E
```
Weren t you the ones who promised me
```
G#m               B
```
A very different place?
```
F#m          E
```
I power up, get my program set
```
G#m                D#m
```
And turn my head toward the sun
```
F#m             E
```
Inside I know, I m null and void
```
F#m
```
I m automaton

```
Bm         G#m
```
Automaton
```
Bm         G#m
```
Automaton
```
Bm         G#m
```
Automaton
```
Bm         G#m
```
Automaton
```
Bm                     G#m
```
Hey, you got me down underground
```
Bm                 G#m
```
Gettin holed up in my cyber lounge
```
Bm                     G#m
```
As if I had time to break that down
(Automaton)
```
Bm                     G#m
```
Whatever you can do I can override it
```
Bm                 G#m
```
Got a million ways to synthesize it
```
Bm             G#m
```
Digital android, I can fight it

E
Fight it out
Bm   **G#m**
Automaton (it s a digital life)
Bm   **G#m**
Automaton (digital life)
Bm   **G#m**
Automaton (a digital life)
Bm   **G#m**
Automaton

F#m   **E**
Feel like a man who fell to earth
G#m   **D#m**
But this is not where I belong
F#m   **E**
They rule my life from a metal box
That s windowless
G#m   **Bm**
And I wonder where it all goes wrong
F#m   **E**
Maybe this dream will stay alive
G#m   **D#m**
But can the madness be undone?
F#m   **E**
Am I the new intelligence?

F#m   **E**
I m automaton
F#m   **E**
I m automaton
G#m   **D#m**
I m automaton
G#m   **D#m**
I m automaton
F#m   **E**
I m automaton
F#m   **E**
I m automaton
G#m   **D#m**
I m automaton
It s a digital life
G#m   **D#m**
It s a digital life
F#m   **E**   **G#m**   **D#m**
You know I need something I can hold onto, hold onto
D#m
(You were all I knew)
D#m
(I m automaton)
F#m   **E**
I need something
G#m   **D#m**

I can hold onto, hold onto

F#m   **E**
E isso ai galera
