We gotta get up
Run away baby
We gotta get on
Run away baby
You know your mama never
liked me
She said we gonna break up
Said it s gonna never work
But it s too bad baby
We re back on the road again
And now we re moving
Running to the sunset
(back on the road again)
Just me and you together
(back on the road again)
I got a groove on the girl
(back on the road again)
Her mama didn t like me

Don t pick no hole in my soul
Don't you spoil my sweet charade
I get high on the girl yeh
For me she was clearly made

And don t get mixed up about it
Cos she won t leave me at sea
I get a groove with the girl
She got a lifeline out to me

Just got my feel good factor
And it s gone right through the roof
I get the blues with the news
Girl let s get it on the hoof

Throw me a lifeline
Throw me a lifeline
A lifeline of love yeh

Throw me a lifeline
Throw me a lifeline
A lifeline of love yeh

Oh I need your lifeline of love
Get it out to me
Well I need her
Don t lose me now
Don t lose me now
I got your lifeline all thrown out to me

Oh I ve got your lifeline
Got your lifeline of love yeh
