

**Manifest Destiny**  
**Jamiroquai**

Intro : **Bm7 A#° Em9 ( Em7 G7M A#° )**

**Bm7** **A#°**  
Four hundred years or more  
**Em9** ( **Em7 G7M A#°** )  
Since you came to crucify  
**Bm7** **A#°**  
They were taken far away from home  
**Em9** ( **Em7 G7M A#°** )  
There were promises of paradise  
**Bm7**  
But if they had been told that day  
**A#°**  
They would be told that this way  
**Em9** ( **Em7 G7M A#°** )  
To satisfy the souls of chosen man  
**Bm7**  
See I had to look carefully  
**A#°**  
At the shame of my ancestry  
**Em9** ( **Em7 G7M A#°** )  
To redefine the storyline again

**Am7**  
If I was taken for a day  
**Gm7**  
And shown another day  
**Cm7** **Dbm9**  
Every child can learn a different thing  
**Am7**  
See I tried a million times  
**Gm7**  
But I had to change my mind  
**Cm7** **Dbm9**  
Sadness was the best thing I could bring  
**Am7** **Gm7**  
On the inside he was dead and this is what he said  
**Cm7** **Dbm9**  
As he took away the blue above the clouds  
**Am7** **Gm7**  
Oh, superiority was clearly meant to be  
**Cm7** **Dbm9 ( Cm7 Bm7 )**  
So destiny will manifest in time  
  
( **Bm7 A#° Em9 ( Em7 G7M A#°** ) )  
So where has all the love gone?  
A troubled trail of tears will tell the tale

Of how I was put down where I don t belong  
Woman, child and man for sale  
For ethical slavery is just an absurdity  
How can you be alive when you are dead  
With these chains of hipocrisy  
The shame of my ancestry  
Forever strained in blood in which you tread
