

Never Gonna Be Another
Jamiroquai

Intro

C#m G#m
D#m D x2

verse 1

C#m G#m
Dust off that dusty photograph
D#m D
And think of how we laughed
C#m G#m
Roll up those shutters to your shop
D#m D
Cos now this circus got to stop
C#m G#m
Flick through those dog-eared magazines
D#m D
When you were on the scene
But now that you re gone

A E
There s never gonna be another
F# G#m
Never gonna be another like you
A
The people in the street are saying
E
There s never gonna be another
Woh, never gonna
F# G#m
Never gonna be another like you

verse 2

C#m G#m
I watched your soul when it was young
D#m D
You d finished when you d just begun
C#m G#m
I d like to take a feather from
D#m D
The wings that used to carry you
C#m G#m
So suddenly, you seem at peace

D#m D

We know that you have been released

C#m G#m

Don't think they'll cry for you tomorrow

D#m D

They never cried for you that day

But the people in the street are saying to me baby

Chorus 2

(NOTE: back up vocals in brackets)

A E

(There's never gonna be another)

There's never gonna be

F# G#m

(Never gonna be) another like you

When you were on the scene

A E

(There's never gonna be another)

And now that you're gone

F# G#m

Never gonna be another like you

(Never gonna be, another like you)

A E

(There's never gonna be another)

You stepped into the light and you are the sun now

F# G#m

(Never gonna be another like you)

There's never gonna be another like you, another like you, when you were on the scene

A E

(There's never gonna be another)

When you were on the scene yeh

F# G#m

(Never gonna be another like you)

And dust off that dusty photograph

And think of how we laughed yeah
